MEMORANDUM FOR: Chiefs of Support, DD/P Divisions and Staffs

SUBJECT : Malaria Suppression for Overseas Personnel

The following information of interest to DD/P components has been received from the Medical Staff:

"This is to advise that all personnel being assigned overseas TDY or PCS should be aware of the danger of malaria. As a general rule of thumb malaria exists in an area marked by 40° south and 40° north of the equator, world wide. In more practical terms this means those areas of assignment within the WH, NE, FE and AF Divisions [redacted] 50X1

50X1 [redacted]

"As part of employee processing for every TDY or PCS assignment to any of the above areas, all personnel should be referred to the Immunization Branch, Medical Staff for specific advice regarding malaria suppressives as specifically applied to the area(s) to be visited or for residence abroad."
